

Hotels lose money every night.

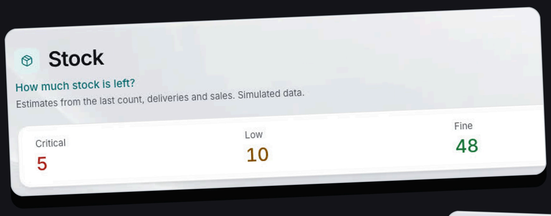

Tyll shows them where.

- ✓ Every tab, receipt and invoice checked
- ✓ Know where your stock goes
- ✓ One order list every morning

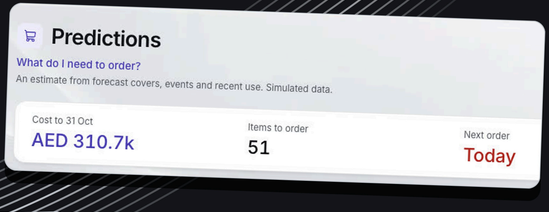

30 days free.

No fee unless the pilot finds real money.

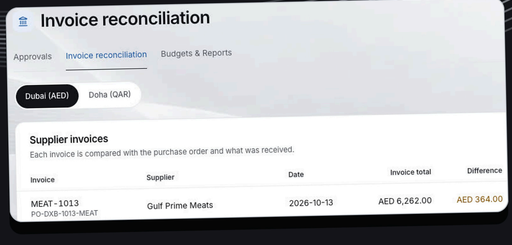

Scan to book a 15 minute call →

How much stock is left?

What do I need to order?

Do the invoices match?

Example screens from the Tyll demo, fictional data.
